GIFT POLICY THAT ADDRESSES MOLD ISSUES

Donations to the New Jersey History Room will be evaluated for mold prior to delivery to the library building. Documents found to have mold will not be accepted unless there is a source of funding for remediation. Treatment, in this case, is a cost of acquisition, and must be covered by collection development dollars. Material accepted under these circumstances must be immediately isolated and sent for cleaning.

(From "Trash to Treasure" Workshop presented by Tim Corlies at 2008 NJLA Conference)

NEW JERSEY HISTORY ROOM

Approved by Board of Trustees 23 February 2012
